

REDEFINE YOUR FUTURE AT HAMLINE: **DEGREES THAT MAKE A DIFFERENCE**

As the first university in Minnesota, Hamline has proudly paved the way for first-generation scholars since 1854. Today, our affordable [online degree completion programs](#) help us equip the next generation of leaders with the skills and knowledge they need to make meaningful impacts in their career fields and communities alike.

With our fully online degree completion programs, you can increase your earning potential, gain greater job security, and unlock a more rewarding career track. Choose from four in-demand degrees:

- **Bachelor of Arts in Psychology:** Build insights in social science and develop writing and articulation skills that will open doors to further education and position you as a top candidate in the job market.

- **Bachelor of Business Administration:** Gain leadership skills, presentation experience, and a keen understanding of economics that will make you an asset in a wide variety of roles.

- **Bachelor of Organizational Leadership:** Learn to navigate, diagnose, and lead change within complex systems and gain the tools you need to serve as a leader in a variety of professional settings.

- **Bachelor of Education (Paraprofessional):** Designed for educational paraprofessionals working in K-12 schools, this program allows you to complete your undergraduate degree and earn a teaching license.

“

I chose Hamline because of its excellent reputation and rich history. The online degree completion program offered flexibility, and I was able to earn the psychology degree I had already decided on.

“

Program director (Kelly) is the best advisor a college student could ask for. The pace of the program is fast enough to be able to complete your degree in an exceptional timeframe without being overwhelmed. The ability to do courses online allows me to work full-time while still pursuing my degree.
